WHO WE ARE

The flagship hospital of Piedmont Healthcare, Piedmont Atlanta Hospital’s legacy of medical excellence began more than 110 years ago. Today it is a 529-bed facility renowned for its high quality, patient-centered healthcare.

Piedmont Atlanta is an acute-care community hospital offering all major medical, surgical and diagnostic services including transplantation and comprehensive care. As a not-for-profit organization, hospital earnings maintain and enhance services and facilities and support education, outreach, and research activities, including the Center for Health and Learning, in partnership with Mercer University. This allows Piedmont Atlanta to offer the most advanced, specialized care possible.
