Finding the right answers takes a lot of time and can be confusing. Whether you are an older adult or a caregiver, one call to the Sixty Plus Helpline can help. Our experts will connect you to resources and provide you with information about services in our community. If you have questions concerning housing, transportation, home delivered meals, Medicare, Medicaid, or other aging-related services, we are here for you.

The programs and support provided to older adults and their families through Sixty Plus Services are made possible by the generosity of our donors. The Sixty Plus Services Program operates with no private insurance support. All donations are used exclusively for our work with older adults and their caregivers. Piedmont Healthcare is a 501(c)(3), not-for-profit institution. Private gifts to Piedmont Healthcare Sixty Plus Services are tax deductible.

Piedmont Hospital established Sixty Plus Services in 1987 to help older adults maintain independent lifestyles and to support family members in their roles as caregivers. We now serve patients and families in all hospitals throughout the Piedmont Healthcare system.

Comprehensive Geriatric Social Work
Sixty Plus licensed social workers provide functional assessments of older adults, focusing on the right balance between independence, safety, and quality of life. Our services include:
- Office consultations for patients and family caregivers
- Home visits followed by evaluation, recommendations and educational materials
- Education for patients and families to help with planning ahead
- Assistance with transitioning from hospital to home
- Strategies and tools for better communication between patients and the Piedmont Healthcare team

Guidance Through the Insurance Maze
Sixty Plus has a trained insurance specialist on staff to offer guidance and information to support individuals in making their own informed decisions about:
- Medicare Part D – Drug Coverage
- Medicare Advantage
- Medicare Fraud Education
- Medigap/Supplement Insurance
- Medicaid, Long-term Care Options
- Low-cost Prescription Drug Assistance Programs

Dementia Support Program
Older patients who have symptoms of dementia are evaluated by Sixty Plus clinicians and then referred to appropriate specialists for further diagnosis. Family caregivers are offered ongoing counseling about all aspects of memory loss and mental confusion.

Community Education and Wellness Programs
Sixty Plus offers a variety of presentations that are open to the community. Each program features expert speakers who are knowledgeable about current trends and innovations. Presentations cover a wide range of topics such as:
- End-of-Life Planning and Palliative Care at Home
- Navigating the Healthcare System
- Understanding Medicare
- Wellness Education
- Caregiver Workshops featuring experts in diagnosis and treatment of dementia
- Monthly Caregiver Support groups
- Stress Management and Mindfulness Techniques
