6. Read and click **I agree** check box to Consent for release of information and click **Send request**

Consent for release of information

I understand that the information that I am authorizing above to use/disclose may include information related to the diagnosis or treatment of mental illness, substance abuse, chemical dependency, and alcohol abuse, including privileged psychiatric or psychological communications and other detailed mental health information; infectious diseases, such as HIV/AIDS, venereal disease, tuberculosis or hepatitis; and genetic testing or information derived from genetic testing.

I hereby waive any privilege concerning such information for the disclosure to the person or entity I have authorized above. I understand that the information used/disclosed pursuant to this authorization will not include psychotherapy notes, which are notes recorded by a mental health professional documenting or analyzing contents of conversation during a counseling session that are kept separate from the rest of the medical record.

I understand that information used or disclosed pursuant to this authorization may be subject to re-disclosure by the recipient of the information and may then no longer be protected by the federal privacy regulations.

I understand that unless otherwise limited by state or federal regulations, I may revoke this authorization at any time by presenting my revocation in writing to the entity checked above, except to the extent that such entity has taken action in reliance on this authorization. I understand that a revocation form may be obtained from the entity checked above.

I understand that this authorization is specific to the information, purpose and date(s) of services indicated above. I further understand that this authorization is valid for 90 days from today's date and will expire at that time unless another date is written here ->:

Lastly, I understand that a healthcare provider shall not condition treatment on the receipt of this authorization, except when such conditioning is permitted for research-related treatment or in instances where the sole purpose of creating the health information is for disclosure to a third party, for example a fitness-for-duty exam.

Note: There may be fees for provision of the information requested; however, records for treatment purposes may be faxed to the patient's healthcare provider when requested at no charge. Under most circumstances, applicable law permits up to thirty (30) days for record requests to be processed.

I authorize the release of my records consistent with this request and understand that information disclosed according to this request may no longer be protected by federal privacy law.

I agree
