

12th Annual Primary Care Conference

Moving Forward Together in an Era of Isolation

Virtual Conference

January 9, 2021

8:00 am to 11:20 am

January 23, 2021

8:00 am to 11:20 am

6 Hours of *AMA PRA Category I Credit™*

6 Hours of Continuing Pharmacy Education

6 Nursing Contact Hours

Educational Objectives

At the conclusion of the conference, participants will be able to

1. Discuss evidence-based treatment options for medical conditions commonly seen in primary care relative to the knowledge and expertise of each of the interprofessional team members.
2. Identify collaborative behaviors necessary for the effective implementation of appropriate treatment options for medical conditions commonly seen in the primary care setting.
3. Describe their role in the diagnosis, management, and referral of patients with medical conditions commonly seen in the primary care setting.
4. Employ skills to foster interprofessional team work and team-based, collaborative care for patients with medical conditions commonly seen in the primary care setting.

Educational Audience

APRNs, Nurses, PAs, Pharmacists, Physicians, and other primary care health care professionals.
