

Stephen W. Brown, M.D. School of Radiography

Piedmont Augusta Stephen W. Brown School of Radiography is now accepting applications for the class beginning in May. This is a 20 month, hospital-based certificate program in radiography sponsored by Piedmont Augusta and is an equal opportunity educational program. An application form and program data are attached.

If you would like additional information, please call Ms. Ingrid Odem or Ms. Nancy Edwards from 8 a.m.-4 p.m., Monday through Friday, at 706.774.3174 or email: nancy.edwards@piedmont.org. Piedmont Augusta Web Site: www.piedmont.org (medical professionals/allied health)

GENERAL INFORMATION

ACCREDITATION — The Piedmont Augusta Stephen W. Brown, M.D. School of Radiography is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT), 20 North Wacker Drive W., Suite 2850, Chicago, IL 60606-2901. www.jrcert.org

CLASS CAPACITY — Class size is limited. Applicants are selected on a competitive basis. Refer to the Admissions' Policy for information on admission eligibility and process.

DESCRIPTION — Radiology incorporates various diagnostic imaging modalities that utilize ionizing and nonionizing radiation to visualize body parts. It offers an exciting and rewarding health career for the radiographer. The job responsibilities of a radiographer vary from performing routine body procedures to operating computer-assisted radiographic equipment.

PROGRAM LENGTH/INVOLVEMENT — The certificate program in radiography at Piedmont Augusta is a 24-month program that requires full-time attendance. The program consists of classroom and clinical educational experiences that encompass approximately 40 hours a week. These provide a comprehensive education for the entry-level radiographer.

CLINICAL EXPERIENCE — Students receive extensive training in the following areas: routine and fluoroscopic radiography, surgical radiographic procedures, portable radiography and emergency room radiologic examinations. They are introduced to the specialized areas of the department such as computed tomography, ultrasound and interventional procedures.

FEES

Application	\$20
Deposit (separate from tuition)	\$40
Tuition*	\$4,800
Textbooks	\$500 approximately
Uniforms	\$250 approximately
Supplies	\$50
Drug Screen/Background	\$80
Registry Review Material	\$120
Markers	\$40
Trajecsyst	\$150

*Tuition is due by the first day of class.

The application fee, deposit, supply fee and tuition are nonrefundable.

ADMISSIONS

GENERAL ELIGIBILITY

Applicant's general eligibility must include the following:

1. Applicant must possess an associate degree or higher in any discipline.
2. Applicant must be 18 years of age within six months of enrollment.
3. Applicant must be in good health which permits performance of the essential physical and mental skills necessary to function as a radiologic technologist. See Job Analysis on third page.
4. Applicant must be available for a personal interview with the program faculty.
5. There are no restrictions as to sex, race, religion, national origin or marital status for applicants.

ACADEMIC ELIGIBILITY

Applicant's academic qualifications must include the following:

1. Applicants must have completed at least an Associates Degree in any discipline from an accredited agency recognized by the ARRT or be within 2 classes for completion of a degree.
2. Algebra or Pre-calculus and Written Communication or College English are required.
3. Grade Point average must be a minimum of **2.25**.

ADMISSIONS PROCESS

1. Applications will be accepted year round.
2. An application file is maintained on all applicants who formally apply to the program.
3. A complete file (which includes all materials in the application packet) is required before the applicant will be considered for admission. A \$20 non-refundable fee is required with this application. Payment of the application fee does not guarantee enrollment. Incomplete applications will not be processed. Official transcripts are required.
4. Once minimum eligibility is met, the applicant is notified.
5. Eligible applicants wishing to be fully considered are scheduled shortly thereafter for a formal interview with the Admissions Committee. Following the interview a communication and mathematics skills assessment test will be given.
6. Each applicant is evaluated by the Admissions Committee which uses a point system and all application materials to select students.
7. The point system is divided into several categories with each representing a percentage of the total points possible. The applicant receives a certain number of points according to his/her strengths in the categories. The faculty reserves the right to examine the references and apply them according to their relevance. A designated minimum value has been set for acceptance. The following categories comprise the point system:
 - a) total GPA in all college courses

- b) GPA in math/science courses

- c) total number of math/science courses taken

- d) skills assessment tests (math and composition)

- e) interview

- f) interpersonal skills

- g) degree level

8. Program selection is highly competitive since the class capacity is limited.
9. Applicants are urged to complete the admission process speedily.
10. All application materials including transcripts, must be received by Feb. 28 to meet eligibility deadline.
11. Applicants will be notified in writing of his/her admission status by the program director.

ACCEPTANCE CRITERIA

The point system is utilized when determining the eligibility of candidates applying for admission. The following categories are analyzed:

CATEGORIES	RATING PERCENTILE
Total GPA in college courses	15%
GPA in math/science courses	15%
Total number math/science courses taken	15%
Degree Level	15%
Math assessment	12%
Composition skills assessment	10%
Interview	18%
	<hr/> 100%

Categories 1-4 have a maximum of four points each with degree discipline contributing .1-.4 of a point. Categories 5-8 have a maximum of five points each, depending on the candidate's strengths/experience in each area.

Interpersonal skills category may contribute plus/minus one-half point to the total.

The candidate must receive 3.5 out of 4.8 points to be eligible for acceptance. The class selection will be made on or before mid April.

A nonrefundable \$40 deposit must be submitted within 10 days of acceptance in order to reserve the student's place in the class.

NON-DISCRIMINATION POLICY

The School of Radiography in accordance with Piedmont Augusta's non-discrimination policy is an equal opportunity program and does not discriminate against anyone regardless of race, color, religion, sex, gender identity or expression, national origin, age, political affiliation, genetic information, sexual orientation, disability or veteran status.
