Who We Are

Piedmont Eastside Medical Center, which include a Main and South Campus, has been a healthcare leader for more than 45 years, providing quality care to patients in Gwinnett and surrounding counties. Piedmont Eastside is a 305-bed, multi-campus system of care offering comprehensive medical and surgical programs including cardiovascular, neurosciences, oncology, orthopedics, robotic surgery, rehabilitation, maternity with neonatal intensive care, behavioral health, bariatric, urgent care, and 24-hour emergency care at two locations (1700 Medical Way and 2160 Fountain Drive). Piedmont Eastside's North Campus has 229 beds supporting acute care services, including a 42-bed count emergency department. South Campus currently offers a 61-bed inpatient psychiatric center, 20-bed inpatient rehabilitation facility, and an 11-bed emergency department.
