A Message from *our Leadership*

While Fiscal Year 2025 included a catastrophic weather event for the Central Savannah River Region and beyond, Piedmont did not waiver in its mission to make a positive difference in every life we touch. Piedmont Augusta Foundation played a key role in ensuring that our patients, staff, and our community continued to receive the safe, high-quality care they deserve and expect even during the most challenging of times.

In this issue of Piedmont Augusta Foundation's Annual Impact Report, you can take pride in how your philanthropy enabled us to go above and beyond to help transform health care and create a unique environment that always puts patients first. Your gifts made it possible for us to:

- Provide free meals for our staff and their families in the aftermath of Hurricane Helene
- Support staff with emergent expenses like food and shelter after the storm
- Assist patients with critical funding for medication, wearable defibrillators, counseling, transportation, and more
- Provide free breast health screenings through the Mobile Mammography Unit
- Create a new Colorectal Cancer Fund to assist under- and uninsured patients with lifesaving screenings and labs following diagnosis
- Award substantial assistance via nursing scholarships and staff continuing education
- Purchase essential equipment for cardiovascular rehab services

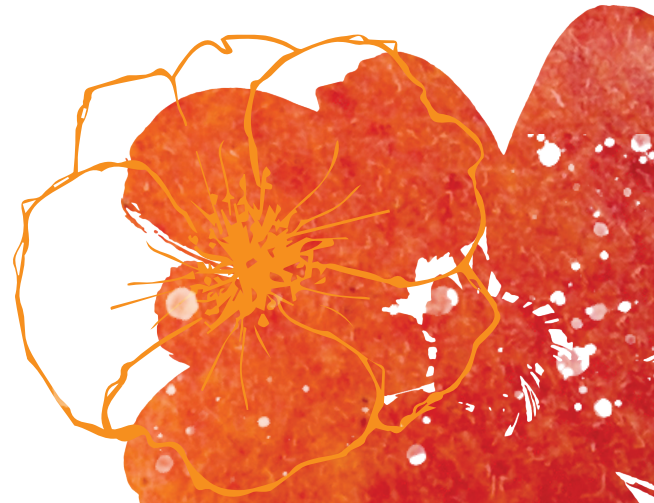

We are beyond grateful for your donations and for entrusting Piedmont Augusta Foundation to make every dollar count toward bettering the lives of our community.

Anne Catherine Murray
Executive Director
Piedmont Augusta Foundation

Josh Rafoth, M.D.

Capital | \$98,686

Education | \$68,512

Cancer Wellness/Survivorship | \$9,495

Nursing & Technical *Scholarships*

Piedmont Augusta Foundation is committed to strengthening the workforce pipeline across the Piedmont Augusta hub. This fiscal year, in collaboration with the Allied Health Division, the Foundation provided scholarships to more than 85 students, helping them pursue their educational goals and prepare for future careers in health care.

The Foundation awarded **\$387,500** from its Foundation Nursing Scholarship Fund and the Gary L. McElmurray Nursing Scholarship Fund.

Nearly **\$30,000** was awarded to students in the Harry T. Harper, Jr., M.D. School of Cardiac and Vascular Technology at Piedmont Augusta via distributions from the John W. Kelley, M.D., Mac Andrew Bowman, M.D., and Harry T. Harper, Jr., M.D. Endowments.

The Laboratory Endowment awarded **\$14,000** in scholarships.

The Stephen W. Brown, M.D. School of Radiography Endowment funded **nearly \$6,000** in scholarships.

All of these scholarships are tied to work agreements, meaning the recipients agree to work within the Piedmont Augusta hub for a period of time equivalent to their funded education. Many of these students become Piedmont employees following graduation.

Thanks to the ongoing support of our donors, Piedmont Augusta Foundation continues to remove financial barriers and invest in the next generation of healthcare professionals in the CSRA and beyond.

Piedmont Augusta Staff Nursing Career *Advancement Scholarships*

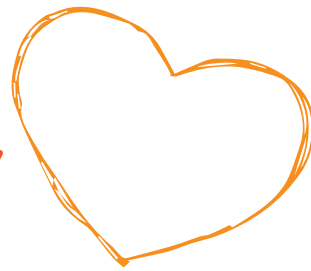

On Wednesday, December 4, 2024, Piedmont Augusta Foundation awarded **\$48,000** in Nursing Career Advancement Scholarships to twenty-four staff members. The nurses went through a rigorous application process and are pursuing various nursing degrees as they work at Piedmont Augusta, Summerville, or McDuffie campuses.

These scholarships are possible thanks to a number of funds and endowments provided by Piedmont Augusta Foundation and the generosity of our community.

We wish all of these nurses the best of luck with their continuing education.

The Georgia HEART *Hospital Program*

GEORGIA HEART
HOSPITAL PROGRAM
Helping Enhance Access to Rural Treatment

The Georgia HEART Hospital Program (GA HEART) allows Georgia taxpayers to redirect a portion of their state income tax dollars to support eligible rural hospitals across the state. By participating, individuals and businesses can make an impact on local health care while receiving a 100% state income tax credit for their contribution. These funds help strengthen hospital operations, expand patient care, and ensure access to quality health care for communities across Georgia.

Through this program, 80 Georgia taxpayers selected our Piedmont McDuffie hospital as the recipient of \$1,604,676 in FY25*, enabling the hospital to invest in advanced equipment for patients, such as a 3D mammogram machine, a 128-slice CT machine, and an MRI machine.

**Ga HEART collects funds on a calendar year basis from January through December. The total shown above was collected during the parameters of our fiscal year.*

Please visit **georgiaheart.org** for more information.

Hurricane Helene *Disaster Relief*

In the early hours of Friday, September 27, 2024, much of our community was devastated by Hurricane Helene. Piedmont Augusta, Summerville, and McDuffie employees were not spared from its effects, many of them either unable to leave the hospital to care for their family members or unable to get to work due to the impacts of the storm. The dedication to patient care demonstrated by our employees was remarkable, and our system partners stepped up to make sure they were supported.

In collaboration with Piedmont Healthcare Foundation, Piedmont Augusta Foundation quickly established the Hurricane Helene Relief Fund and broadcast the opportunity to donate across the system.

A total of **\$52,800** was raised by over 140 donors in the system, and Piedmont Augusta Foundation contributed an additional **\$17,000**.

These funds were used to provide **3,580 free hot meals** from six different caterers to Piedmont employees and contract teammates impacted by the storm.

In addition, the Piedmont Sharing Club Employee Disaster Assistance distributed **\$419,276** to **1,174 employees** for emergency needs like food and shelter.

Piedmont Augusta Foundation covered the lion's share of that distribution through its Helping Hands Endowment and six other funds and endowments, *thanks to the generosity of donors like you.*

2024 *Miracle Mile Walk*

\$341,804 raised to fund
mammograms for under- and uninsured women

Miracle Mile Walk

Introducing the Jernigan Opening Celebration

New this year, Piedmont Augusta Foundation's annual Jernigan fundraiser launched with an Opening Celebration on Sunday, May 4th at Greystone Preserve in North Augusta. On this beautiful spring evening, 150 patrons enjoyed a low country boil catered by Midtown Tavern and music provided by The Mason Jars.

A live auction raised almost \$15,000 for Piedmont August's new Colorectal Cancer (CRC) fund. The fund will assist in covering the imaging and labs needed prior to surgical treatment as well as any necessary follow up imaging and labs.

Guest speakers included Barry Jenkins, M.D., Piedmont Augusta Chief Medical Officer, who shared that CRC is the second leading cause of cancer death, with the fastest growing age group affected being under 45. Colorectal cancer navigator Brooke Negrete spoke on the importance of early detection and the disadvantages faced by patients who are underinsured. Colon cancer patient Cheterria White bravely shared her journey with the group, highlighting the difficulties experienced by patients who lose coverage as a result of loss of employment during treatment.

We look forward to bringing back the Opening Celebration in 2026. The event was a wonderful way to bring golfers and non-players together for fellowship and to gain better understanding of the Jernigan's fundraising target for the year.

Jernigan Golf Tournament

2025 Total: \$280,248

Hosted at The Reserve Club and Woodside Country Club at Woodside Plantation in Aiken, the 39th Jernigan Memorial Golf Tournament was a great success, raising \$280,248 for Piedmont Augusta's Colorectal Cancer (CRC) Program. A fourth course was incorporated this year to accommodate our 68 total teams competing. Proceeds from the tournament will help under- and uninsured patients afford the lifesaving imaging and labs needed between a CRC diagnosis and surgical treatment. A heartfelt thanks to our generous sponsors, volunteers, and marshals who make this tournament possible. We are especially grateful to our Piedmont employees who volunteer for this event each year. It takes all of you to make this time-honored tradition a community favorite.

Congratulations to our winners:

Donor *Spotlight*

The Kelley Bros. Sticks & Strings Fundraiser

For the past four years, Piedmont Augusta Foundation has been a proud beneficiary of this unique and entertaining fundraiser that combines the Kelley family's love of golf and music. Sticks & Strings is a 2-day event that kicks off with a concert at the Columbia County Performing Arts Center and features three sons of John W. Kelley, M.D., (John, Josh, and Charles) singing together and with many of their musician colleagues. The concert is followed by a golf tournament at Champions Retreat Golf Club where the brothers can be found playing the sport they love with family and friends. Proceeds from the event have traditionally been directed to First Tee of Augusta, The 12 Bands of Christmas, and the John W. Kelley, M.D., Endowment here at Piedmont Augusta Foundation.

The fund was created in 2008 to honor Dr. Kelley's 28 years of service to our hospital and community as a talented cardiologist and mentor to many. He was the founder of the Harry T. Harper Jr., M.D., School of Cardiac and Vascular Technology, which is a partnership with Augusta Technical College. The 18-month program has graduates working in hospitals across the region and nation, including our own hospital. The endowment named for Dr. Kelley supports the education of these technologists who work alongside cardiologists in our cardiac catheterization labs. The Harry T. Harper, Jr., M.D., School of Cardiac and Vascular Technology was founded in 1992 and also trains noninvasive cardiac technologists who perform ultrasound and vascular ultrasound images. Funds donated to the Piedmont Augusta Foundation also support training for critical care cardiac nurses.

Piedmont Augusta is able to provide high quality safe care thanks to Dr. Kelley's legacy of supporting the training and education of these technologists. The 3rd annual Sticks & Strings held in November of 2024 raised \$20,000 for this endowment.

1818 Celebration

On December 5, 2024, Piedmont Augusta Foundation hosted its annual 1818 Society Celebration at the Augusta Country Club. The evening was filled with delicious food, fellowship, and holiday spirit.

Annual membership in the 1818 Society is based on individual gifts of \$500 or more and corporate gifts of \$1,000 or more. Lifetime 1818 Society status is based on individual gifts of \$25,000 or more and corporate gifts of \$50,000 or more. Complete your gift by December 31, 2025, to become a member.*

Thank you to all our donors for helping us make a positive difference in every life we touch!

**Annual membership is based on cumulative annual giving.
Lifetime membership is based on cumulative lifetime giving.*

Is your name missing?

This impact report contains names of individuals and businesses who have made gifts to Piedmont Augusta Foundation that were processed between July 1, 2024, and June 30, 2025. Contact the Foundation at **foundation@piedmont.org** or **706.667.0030** if we omitted your name in error, or if you have questions or corrections.
