WHO WE ARE

Piedmont Fayette Hospital is a 282-bed, acute care, not-for-profit, community hospital that combines clinical excellence with a focus on wellness, high-quality and exceptional service. Serving Fayette County and surrounding communities, Piedmont Fayette offers 24-hour emergency services, medical and surgical services and obstetrics/women’s services. From leading-edge medical technology in robotic surgery, digital imaging, diagnostics, rehabilitation, cardiovascular services, and hyperbaric medicine/wound care services to its cancer center, Piedmont Fayette is committed to making a positive difference in every life we touch.
