

# Piedmont Henry Fact Sheet

## OUR PURPOSE, OUR PROMISE:

To make a positive difference in every life we touch.

## WHO WE ARE

Piedmont Henry Hospital is a 236-bed, not-for-profit, acute-care, community hospital on a tobacco-free campus in Stockbridge, Georgia. Cutting-edge technology and first-class care come together in cardiovascular services, orthopedics, stroke care, critical care, rehabilitation, radiation oncology and diagnostic imaging. A trusted source of comprehensive, high-quality care for residents of Henry County and surrounding communities, Piedmont Henry also offers 24-hour emergency services, medical and surgical services and obstetrics/women's services including a Level III Neonatal Intensive Care Unit (NICU).

## MAJOR SERVICES

### Heart Care

- Includes angioplasty, interventional cardiology, electrophysiology, a 64-slice dual source CT scanner, nuclear imaging, echocardiograms, two cardiac catheterization labs, cardiac and pulmonary rehabilitation, and much more.

### Cancer Care

Affiliate of MD Anderson Cancer Network®, a program of The University of Texas MD Anderson Cancer Center

- Thomas F. Chapman Family Cancer Wellness program
- The Piedmont Breast Health Center offers comprehensive breast health care to the community. The center provides screening and diagnostic mammography with same-day results, breast ultrasound, breast MRI, stereotactic breast biopsy, ultrasound-guided core biopsies and bone density testing.
- Home of the county's only radiation oncology center. The 10,000-square-foot, high-tech center opened in July 2010 and is located on the hospital's main campus, enabling patients the benefit of receiving radiation therapy close to home.
