

# Piedmont Newnan Fact Sheet

## OUR PURPOSE, OUR PROMISE:

To make a positive difference in every life we touch.

## WHO WE ARE

Piedmont Newnan Hospital is a 154-bed, acute-care, community hospital in Newnan, Georgia. Piedmont Newnan is a cornerstone of wellness as the only acute-care facility in Coweta County. Since joining Piedmont Healthcare in 2007, the hospital generated more than \$1 billion in revenue for the local and state economy in the first five years, while at the same time providing nearly \$44 million in uncompensated care. As a not-for-profit organization, hospital earnings go directly back into maintaining and improving services and facilities, and to educational outreach.
