WHO WE ARE
Piedmont Newton Hospital is a 103-bed, acute-care, community hospital in Covington, Georgia offering 24-hour emergency services, women’s services, a six-bed special care nursery and general medical/surgical services. Serving Newton County and surrounding communities for over 60 years, Piedmont Newton Hospital offers high-quality, patient-centered care. As a not-for-profit organization, hospital earnings go directly back into maintaining and improving services and facilities and to educational outreach.
