

Piedmont Columbus Regional Northside

OUR PURPOSE, OUR PROMISE:

To make a positive difference in every life we touch.

WHO WE ARE

Since 1984, Piedmont Columbus Regional's Northside Campus has provided excellence in community care. This licensed 100-bed, general acute care community hospital specializes in orthopedic, spine and inpatient rehabilitation and is nationally recognized for delivering outstanding clinical quality, accompanied by the highest levels of customer service.

The hospital provides a full range of services including emergency services, physical rehabilitation services, knee and hip joint replacement, spine treatment and surgery, advanced reconstructive surgery, general surgery, gynecological surgery, urology services, endoscopy, dialysis and state of the art sleep lab.
