

3rd Annual Diabetes Conference

March 23, 2019

7:30 am to 3:00 pm

6 Hours of *AMA PRA Category I Credit™*

6 Hours of Continuing Pharmacy Education

6 Hours of Nursing Contact Hours

Athens, GA

Educational Objectives

At the conclusion of the conference, participants will be able to:

1. Identify current Clinical Practice Recommendations for care of people with diabetes.
2. Assess the non-pharmacologic and pharmacologic treatment options for managing diabetes and pre-diabetes to individualize care.
3. Apply clinical decision-making tools to achieve treatment goals for diabetes and co-morbidities.
4. Employ skills to foster inter-professional team work and team-based, collaborative care

Educational Audience

This activity was designed for physicians, nurse practitioners, physician assistants, nurses, pharmacists, dietitians, diabetes educators, and other health care professionals who manage patients with diabetes.

Continuing Professional Education Credit

Piedmont Healthcare is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

Piedmont Healthcare designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Piedmont Healthcare is an approved provider of continuing nursing education by South Carolina Nurses Association, an accredited approver with distinction, by the American Nurses Credentialing Center's Commission on Accreditation.

Nurse attendees must attend all sessions and complete an evaluation in order to obtain full course credit. The program planners and presenters have no conflict of interest related to this course, financial or otherwise.

Please follow the instructions found on page ___ of the program to claim Pharmacy CE Credit.

This conference has been approved for 6 hours of Pharmacy CE Credits by the University of Georgia College of Pharmacy, Office of Continuing Education and Outreach. The University of Georgia College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
