Piedmont Healthcare is committed to providing patients with information regarding their coverage and financial responsibilities. In consideration of services provided by Piedmont Healthcare (PHC), the Patient or undersigned representative acting on behalf of the Patient agrees to the following:

1. **Hospital Emergency and Labor Services**
   Patient understands his/her right to receive an appropriate medical screening exam performed by a doctor or other qualified medical professional to determine whether Patient is suffering from an emergency medical condition, and if such a condition exists, stabilizing treatment within the capabilities of the PHC staff and facilities, even if Patient cannot pay for these services, does not have medical insurance or Patient is not entitled to Medicare or Medicaid.

2. **Non-Medicare Patient Responsibility for Payment**
   In return for Medical Treatment/Services rendered to the Patient or any infant(s) born to the Patient, Patient understands and unconditionally agrees to the following:
   - Patient agrees to pay all co-payments, deductibles or co-insurances.
   - Patient understands and agrees that he/she will be charged the PHC standard charge master rates for all services not covered by a Payor or that are self-pay.
   - Patient understands that he/she may qualify for financial assistance. For more information, the patient may contact a local financial counseling resource, call the PHC Customer Service Center (1-855-788-1212), online at www.piedmont.org or via email at assistance@piedmont.org.
   - Patient specifically agrees to pay for any services, which are determined not to be covered by any health benefit plan or insurance company.
   - Patient is aware that he/she is not relieved of liability by any extension of time granted for the payment of these charges, not by the acceptance by the PHC of a note of the patient or any third person.
   - If PHC requires legal assistance to collect an account, Patient agrees to pay the cost incurred for such collections.
   - PHC may use data from third parties such as credit reporting agencies in order to verify demographic data or evaluate financial options and by this authorization expressly permit sources and employers to provide PHC with all information requested.

3. **Assignment of Insurance or Health Plan Benefits**
   Patient acknowledges the assignment and authorization for direct payment to PHC for all insurance and health plan benefits and settlements whether hospital, medical or liability insurance including but not limited to, the proceeds of any settlement or judgment of any third party claim as payment for any and all services performed at a PHC entity. Patient agrees that the insurance company’s or health plan’s payment to PHC pursuant to this authorization shall discharge the insurance company’s or health plan’s obligations to the extent of such payment.

4. **Filing of Third Party Claims**
   Patient acknowledges that upon proof of coverage PHC will submit a claim for payment of insurance benefits and accept payments from third party payors (“Payors”) to be credited to Patient’s account as they are received. Patient agrees that the filing of insurance claims is performed as a service and in no way relieves Patient of the obligation to pay in full. Additionally the Patient acknowledges the following:
   - Patient is responsible to follow up with any insurance company or employer within 30 days to see that Patient’s bill is paid promptly.
   - Patient understands that he/she is financially responsible for charges not paid according to this agreement. If Patient overpays the amount owed on his/her account, Patient assigns credit to be applied to any other existing unpaid accounts (“Other Accounts”) for which the Patient or the insured or guarantor is also responsible. Any money remaining after the Patient’s account and Other Accounts have been paid in full will be refunded to the patient or guarantor.
   - Insurance companies will often deny claims when the insurance is not presented at the time of service. Please contact our Customer Solution Center with your Insurance/Payor information at 1-855-788-1212. Otherwise your account may be considered self-pay/uninsured and you will be responsible for the total bill.
