

PIEDMONT FAYETTE FACT SHEET

WHO WE ARE

Piedmont Fayette Hospital is a 189-bed, acute care community hospital that combines clinical excellence with a focus on wellness, high-quality and exceptional service. Serving Fayette County and surrounding communities, Piedmont Fayette offers 24-hour emergency services, medical and surgical services and obstetrics/women's services. From leading-edge medical technology in robotic surgery, digital imaging, diagnostics, rehabilitation, cardiovascular services, and hyperbaric medicine/wound care services to its state-of-the-art Cancer Center, Piedmont Fayette is committed to providing compassionate, quality care in a healing environment. The hospital announced plans for an expansion of the emergency department and four floors in June of 2015.
