

PIEDMONT HENRY FACT SHEET

OUR MISSION:

Healthcare marked by compassion and sustainable excellence in a progressive environment, guided by physicians, delivered by exceptional professionals, and inspired by the communities we serve.

WHO WE ARE

Piedmont Henry Hospital is a 215-bed, acute-care, community hospital on a tobacco-free campus in Stockbridge, Georgia. Cutting-edge technology and first-class care come together in cardiovascular care, orthopaedics, surgery, critical care, women's health, emergency services, radiation oncology and diagnostic imaging. The hospital joined Piedmont Healthcare in 2012, and is a trusted source of compassionate, high-quality care for residents of Henry County. Piedmont Henry offers educational programs including diabetes education, rehabilitation and support groups.

MAJOR SERVICES

Heart Care

- Includes angioplasty, interventional cardiology, electrophysiology, a 64-slice dual source CT scanner, nuclear imaging, echocardiograms, two cardiac catheterization labs and much more.

Cancer Care

Affiliate of MD Anderson Cancer Network®, a program of The University of Texas MD Anderson Cancer Center

- Thomas F. Chapman Family Cancer Wellness program
- The Piedmont Breast Health Center offers comprehensive breast health care to the community. The center provides screening and diagnostic mammography with same-day results, breast ultrasound, breast MRI, stereotactic breast biopsy, ultrasound-guided core biopsies and bone density testing.
- Home of the county's only radiation oncology center. The 10,000-square-foot, high-tech center opened in July 2010 and is located on the hospital's main campus, enabling patients the benefit of receiving radiation therapy close to home.
